Attorneys for the Federal Defendants

**UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA**

BASIN AND RANGE WATCH,

Plaintiff,

v.

BUREAU OF LAND MANAGEMENT
AND THE U.S. DEPARTMENT OF THE
INTERIOR,

Defendants.

Civil Action No.: 2:16-cv-00403 JCM-PAL

**STIPULATION FOR EXTENSION OF TIME
TO RESPOND TO MOTION TO REOPEN
DISCOVERY
(SECOND REQUEST)**

Plaintiff Basin and Range Watch and Defendants Bureau of Land Management and U.S. Department of the Interior filed a Motion to Reopen Discovery (ECF# 32) on **December 9, 2016**. On **December 15, 2016**, the Court granted the parties' first request for extension of the briefing deadlines

(ECF #35). The current deadlines call for the United States' response on **January 9, 2017**, and Plaintiff's reply on **January 23, 2017**.

The parties have engaged in substantive discussions to resolve the matters at issue in the Motion to Reopen Discovery. Both parties are hopeful that they will be able to reach an agreement that will obviate the need for further briefing on this Motion. Accordingly, the parties request that the Court permit them to modify the briefing schedule as follows:

January 23, 2017 – United States Opposition to the Motion to Reopen Discovery

February 8, 2017 – Plaintiff's Reply in Support of Motion to Reopen Discovery

The extension requested is not for purposes of delay and is sought in good faith. This will give the parties sufficient time to work toward a resolution of the matters at issue in this motion, including obtaining client approval and crafting an appropriate stipulation. In the event that the parties are unable to resolve the issue without going forward on the Motion, this schedule will allow them to fully brief the issues and file their responses.

Respectfully submitted this 9th day of January 2017.
